

DESIGN YOUR OWN MAZE AND USE IT AS INSPIRATION FOR YOUR WRITING!

First, watch Jennifer Claessen's video.

Background: The Cretan labyrinth is a maze in Greek mythology, famously known as the prison for the Minotaur, a creature that was half-man, half-bull. The story of the labyrinth is associated with the legend of a hero called Theseus and the Minotaur, where Theseus enters the maze, slays the Minotaur, and escapes with the help of Ariadne's thread.

Your Maze:

Now create a **short, dramatic piece of writing**, describing the maze. What is in the middle? Why is it that? How did it get there? How does it feel to enter?
